

(Extra) house rules groups

In 2017 I converted the hold of my ship into this b&b and group accommodation and I am very proud of that.

I assume that you deal respectfully with my inventory and accommodation.

If something gets damaged, inform me immediately.

I live on the back of the ship (Tel. 0031 612043709).

- The deposit is paid by bank or cash on board;
- It's not allowed to have a party on board;
- Do not stick adhesive tape / tape etc. onto the wallpaper. Confetti etc. and wax crayon must not be used;
- Remove makeup with the paper towels in the bathroom. Not with a towel. Cleaning costs of the towels will be charged;
- Do not use RoW towels outside on the terrace;
- Do not sleep on the couch in the livingroom;
- From 11 pm it must be quiet on deck. With a lot of noise inside, the door / windows should be closed. Sound carries a long way over the water;
- No stone grills / gourmet/ frying pan can be used inside;
- Smoking is prohibited throughout the property. It is allowed on the roof terrace;
- Waste should be separated into plastic, paper, glass and residual waste. You can put this on deck at the end of the rental period or take it with you;
- You must leave the entire space clean, the dishes must be done and all the waste should be removed;
- Close the gate and the front door properly;

Thank you,

Moniek van der Werff, Tel. 0031 612043709
